IITB Project Recruitment:

Project title: Centre of Propulsion Technologies (CoPT) Office at IITB

About the project: CENTRE OF PROPULSION TECHNOLOGY

Centre of Propulsion Technology (CoPT) is a newly established Centre at IIT Bombay. It is a pan India research Centre supported by DRDO with head quarter at IITB. The office at IITB in conjunction with the DRDO headquarter and concerned laboratories facilitates and oversees the research activities at the primary and associate nodes.

Essential Qualifications & Experience:

Ph.D. with 8 years' experience or a Master's degree in Engineering with at least 12 years' experience, preferably in the disciplines of Mechanical or Aerospace Engineering related to design/manufacturing/fabrication/construction/maintenance of large-scale engineering units.

Desirable Qualification: Experience in leadership position in engineering industry or R&D institutions/running large-scale projects.

Job Profile:

The Chief Technology Officer (CTO) is expected to advise and actively participate in technical and administrative issues of the Centre. He has to establish working relations with DRDO and academic centres for facilitating the R&D activities promoted by CoPT. The CTO may, when required, assist and advise the Principal Investigators in design, fabrication, installation and maintenance of large research facilities. The CTO may be involved in CoPT building construction, particularly concerning special features for installing large research facilities. He will also be responsible for day-to-day running of the CoPT office and will report to the Director, CoPT on all matters of the Centre

Pay Details:

Consolidated salary Rs. 150000/- pm.

General information:

The position is temporary for a period of 1 year and tenable only for the duration of the project.

The post does not carry any provident fund, gratuity or pension benefits. IIT Bombay does not

guarantee any accommodation within IIT campus.

The appointment is for time bound project and the candidate is required to work mainly for the successful completion of the project. The selection committee may offer lower or higher designation and lower or higher salary depending upon the experience and performance of the candidate in the interview.

Candidates called for interview will be required to attend at his/ her own expenses.
